Your Vote Matters—Lives are depending on you!

August 8, 2023 - Issue 1 - Vote Yes. A yes vote will raise the threshold to pass a constitutional amendment in Ohio from the present simple majority of 50% plus one to 60%. Making it 60% to pass an amendment will protect Ohio's Constitution from being co-opted by wealthy out-of-state interest groups that intend to sidestep Ohio's checks and balances by buying their way onto the ballot. A Yes vote will ensure that any future Constitutional amendments will be determined by a strong majority of Ohioans, not special out of state—interest groups looking to enrich themselves.

November 7, 2023 Vote NO on the proposed Amendment that would amend Article 1 of the Ohio Constitution by adding Section 22, titled "The Right to Reproductive Freedom with Protections for Health and Safety" amendment. It's name is intended by the abortion cartel to confuse and mislead voters into supporting an extreme abortion agenda. If passed and added to Ohio's Constitution, it would make abortion on demand through all nine months of pregnancy (including painful and cruel late term procedures on perfectly healthy babies) and would be the repeal of current health and safety provisions that protect women and the unborn children, and will certainly eliminate parental notification and consent before children seek out life-altering procedures like an abortion or gender-altering puberty blocker or surgery. Parents rights would be stripped away!

Mother Teresa:

"The greatest destroyer of love and peace is abortion, which is war against the child. The mother doesn't learn to love, but kills to solve her own problems. Any country that accepts abortion is not teaching its people to love, but to use any violence to get what they want."
