PARENTAL RIGHTS AND ABORTION ARE IN YOUR HANDS!

VOTE EARLY - - Early in person voting begins Oct. 11

November 7, 2023 Vote NO on the proposed Amendment that would amend Article 1 of the Ohio Constitution by adding Section 22, titled **"The Right to Reproductive Freedom with Protections for Health and Safety"** amendment. It's name is intended by the abortion cartel to confuse and mislead voters into supporting an extreme abortion agenda. If passed and added to Ohio's Constitution, it would make abortion on demand through all nine months of pregnancy (including painful and cruel late term procedures on perfectly healthy babies) and would be the repeal of current health and safety provisions that protect women and the unborn children, and will certainly eliminate parental notification and consent before children seek out life-altering procedures like an abortion or gender-altering puberty blocker or surgery. Parents rights would be stripped away! **VOTE EARLY!**
