

"Our mission is to promote and defend the right to life of all innocent human beings from the time of fertilization until natural death"

The next Henry County Right to Life Meeting will be held at the **Hamler Summerfest Bldg. on May 9th at 6PM**. We will prepare the flowers for our Annual Mother's Day Flower Sale and have a short meeting after. We would love to see you and would appreciate the help preparing flowers for the sale.

A big Thank You to all members who signed our Pro-Life Signature Ad that was in the Crescent News and The Northwest Signal! We collected 738 names this year. We would not be able to post the ad without your help! A copy of the Northwest Signal Ad is in the back of this newsletter in case you missed it.

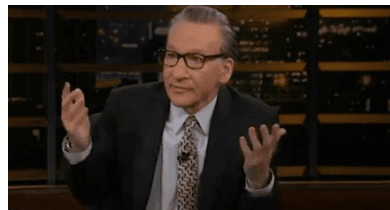

We will again be in back of churches on Mother's Day weekend with our flowers. Take a flower and leave a donation of at least \$1 or more to help us in the fight for life. Your donation is very much appreciated and if you are able to help at your church let us know at hcrtl@righttolifehenryco.org or come to our meeting May 9 and help prepare flowers.

So much in our culture has changed since Henry Co. Right to Life began in 1983. Our mission statement of "Protection of Life through Education and Action" has served us well. However, we now not only have to fight against abortion and euthanasia but also need to support family values. We feel we may need to make changes to our mission statement to include our "pro-family" stance. We plan to discuss and decide if and what we will change in our mission statement to reflect our goals publicly and for our membership so it would reflect a pro-family stance and not just pro-babies. We hope you will join us in this discussion as a group at our July meeting. Date and time will be posted on our website after our May 9th meeting at 6:30 p.m. at Hamler Summerfest where we will be preparing flowers for Mother's Day.

Life Issues radio broadcast has a daily one-minute pro-life commentary hosted by Life Issues Institute President Bradley Mattes. His April 17 commentary shows maybe pro-abortion people need to hear one of their own say it like it is in order to wake them up! See below.

Bill Maher Spoke Truth

Bradley Mattes | April 17, 2024

The wacky liberal host on Real Time with Bill Maher made some startling [remarks](#) on abortion. He said, "I don't understand the fifteen-week thing. Or...let's leave it to the states. You mean, so killing babies is okay in some states? I can respect the absolutist position. I really can. I scold the Left when they say, 'Oh you know what, they just hate women.'" Maher went on to say, "They don't hate women. They just made that up. They think it's murder. And it kind of is. I'm just okay with that. I mean, there's eight billion people in the world. I'm sorry, we won't miss you." Bill has his moments when he's nothing less than truthful and it set the liberal audience back on their heels.

Henry County Right to Life has “Pray to End Abortion” signs both reg or with the wooden frame. Now that the winter is over, a pro-Life sign in your yard would call to mind the tragedy of abortion and the need to pray to end this terrible act of cruelty as they drive by your home. Call Eileen Wagner at 419-231-2994 or e-mail emw@bright.net if you would like one for your yard or business.

The “*Persuasive ProLife Apologetic Conference*” is coming to Columbus, Ohio on May 18. The conference will run from 10 am to 2:30 pm at the St. Thomas More Newman Center at **The Ohio State University**. As a sponsoring partner in the Persuasive ProLife Apologetic Conference, **Foundation for Life** is offering **\$50 scholarships** to the first 20 Northwest Ohio* students who submit proof of registration for the May 18 *Persuasive ProLife Apologetic Conference* for students at The Ohio State University.

The \$50 scholarships will cover the \$20 registration fee with an additional \$30 in travel costs. To take advantage of the scholarship offer, register and pay for the event at www.ohiolife.org/tickets and then submit proof of registration to FFL Executive Director Ed Sitter at ed@fflno.org.

Although 40 Days for Life Campaign ended March 24th anyone who wishes to stand in peaceful prayer at the Toledo Women’s Center at 1160 W. Sylvania, Toledo can still do so. Stay on the sidewalk and not on the Woman’s Center parking while praying. Parking is available in empty lot across N. Haven Avenue next to Toledo Women's Center. The lot is gravel and contains a Billboard. The owner of the lot is pro-life.

Prayer for Pregnancy Resource Centers

Lord Jesus Christ, we pray for pregnancy resource centers (PRCs) all across America and the world.

May you guide those who are seeking an abortion facility to find a PRC,

And allow their hearts to be receptive so they may hear the truth about life in the womb.

We pray that all who enter the doors of PRCs choose life.

Give those who work in these centers wisdom and grace,

So that they can treat the women who visit in a way that honors You and shows Your love.

During such wicked and violent times,

We also pray for the protection of all sidewalk counselors, staff, and volunteers.

Use Your mighty hand to protect the facilities themselves.

Put a stop to anyone who may want to harm the PRCs,

And bless them with financial protection, so that they will never need to close their doors.

May Your name be glorified with everything that the pregnancy resource centers and other pro-life organizations do because it is Your love that empowers them.

May the way they bless their communities bless You, the Lamb of God. Amen

THE DIFFERENCE IS YOU!
