

“Our mission is to promote and defend the right to life of all innocent human beings from the time of fertilization until natural death”

The next Henry County Right to Life Meeting will be held January 26, 2026 at St. Paul’s Catholic Church Basement, Hamler at 7 p.m. Enter North Door.

HELP HENRY CO. RIGHT TO LIFE CONTINUE PRO-LIFE BILLBOARDS

12’x24’ billboard at Rt. 6/Rt. 24 Napoleon. This was displayed June through August, 2025.

8’x20’ billboard on Rt. 6 near NW State Community College & Four County Career Center. This message will be displayed through May 2026. Your support will ensure we extend publication of this message to parents in need of loving options.

YOU CAN HELP US CONTINUE PRO-LIFE BILLBOARDS. This year we suspended our annual newspaper Signature Ad Campaign to allow for broader exposure and longer term messaging gained with a Billboard Campaign. We will continue with listing donor and/or memorial names, if you desire, in our newsletter to share your life affirming support of our Billboard Campaign. The names will also be sent to State and Federal Legislators to demonstrate pro-life support in our area.

Any donation small or big is appreciated and will help continue billboard messaging. Our Billboard Campaign will continue through January 22, 2026. This change was made as result of overwhelming positive response to our current billboard placement illustrated above. These placements brought viewing by an estimated 70,000 people per week. Please give careful consideration of your part in furthering this impactful, loving and life affirming Billboard Campaign. Included in this newsletter is a form to use to collect donations and names for your church or family.

Christmas Pro-Life Prayer

Lord Jesus, On this holy night when You came to us as a tiny Child, we remember the sacredness of every life You create.

You who were carried beneath Mary’s heart, bless all mothers who carry children today. Fill them with courage, peace, and trust in Your loving plan.

Protect every unborn child with Your sheltering grace. Surround families with support, compassion, and hope. Guide our hearts to see the dignity in every human life, from conception to its natural death.

As we welcome You, the Light who entered the world as a baby, teach us to cherish and defend all unborn life, all who are vulnerable, and all who depend on us to defend them.

Jesus, Child of Bethlehem, make our hearts like Yours – gentle, joyful, and life-giving,

Amen.

We partnered again this year with Ottawa K of C in providing bus transportation for pro-lifers attending the Ohio Right to Life March in Columbus on October 3, 2025. There were 31 students, 24 adults and 1 very cute little toddler on the bus.

2025 Ohio March for Life in Columbus

Where Is the Justice?

Medication Abortion Accounted for 63% of All US Abortions in 2023—An Increase of 53% from 2020

A doctor at the University of Toledo Medical Center has been [suspended](#) from practicing medicine in Ohio.

The man allegedly used the personal information of his estranged wife to order abortion pills by mail. Reports claim that he then **forcibly held down his pregnant girlfriend and forced her to consume the crushed-up abortion pills against her will.**

The State Medical Board of Ohio suspended the medical license of Dr. Hassan-James Abbas, finding him to be a danger to the public.

At this time there have been no criminal charges filed against him according to all available reports, and we do not know if the woman's baby survived the assault.

According to the medical board, he admitted to obtaining the [dangerous](#) chemical abortion drug through an out-of-state provider using his wife's personal information without her knowledge. Though he reportedly pressured her, his girlfriend did not want an abortion.

If the allegations are indeed true, this man not only violently assaulted his girlfriend, but he attempted to murder her young child. A medical suspension is hardly the appropriate punishment for such a barbaric act. **Where is the justice?**

Cases like this are becoming more and more prevalent as chemical abortion drugs are mailed out to all who want them with little meaningful oversight.

These drugs enable abusers and sex traffickers and can be ordered by anyone in any state regardless of a location's pro-life protections. Our mail system has been weaponized as a vessel to assist in the killing of thousands of innocent babies.

We all know that if a man were to kill his girlfriend's young toddler because he no longer wanted her to be a mother, he would rightfully be charged with murder.

We know that if a doctor intentionally poisoned or dismembered a born child at the request of her mother, the doctor and those involved would be charged with murder.

We know that when innocent human beings are intentionally and wrongfully killed, there must be justice.

Unfortunately, our legal system is littered with obvious instances of unacceptable hypocrisy. If a criminal kills a pregnant mother, we know that in most states the unborn baby will be treated as a second victim, and the killer will face criminal prosecution for both killings.

Yet, when it comes to the intentional killing of innocent children in the womb in the form of abortion, there is rarely any justice for the unborn baby.

Why would the baby be considered a human being protected by law when killed by a criminal, but not when killed by an abortionist or anyone else?

A serious nation cannot have two sets of laws with blatant and lethal discrimination against certain groups of people. The unborn deserve to be treated as human beings just like everyone else. **They deserve justice.**

Defending Life,

Victor Nieves, President, Life Issues Institute

2026 BILLBOARD CAMPAIGN

I, the undersigned, do agree that my name is to be included in the Henry Co. Right to Life newsletter and also forwarded to Federal and State Legislators to indicate my support of pro-life legislation. Furthermore, I request my donation be used for pro-life billboards in Henry and possibly surrounding Counties in Ohio. I understand my donation will support the Henry Co. Right to Life Billboard Campaign in progress through January 22, 2026.
